

the clay people

Clay People: Clay People

1. **Awake**
2. **Plug**
3. **Mechanized Mind**
4. **Calling Spaceship: Damien Grief**
5. **Car Bomb (Am I Human?)**
6. **Fade Away**
7. **Raygun Girls**
8. **Dying To Be You**
9. **Thread**
10. **Ghostwishing**
11. **Who Am I?**

Neil Keron strikes again, turning an excellent Coldwave act into nothing way of the commercial Rock industry and scrapped all of their electronics. on "Stone Ten-Stitches". The only remnant of this once great band lies in the throatwork. His vocals alone are the only thing saving this album from being drag themselves back from this heinous effort with the next release?
